

Classroom Intervention Strategies

- Make eye contact with a student.
- Walk towards/next to a student.
- Verbal reminder of classroom expectations.
- Clear reminder of consequences for lapse in decorum.
- Ask to speak with the student outside of class time to give feedback.
- Diffuse conflicts (sometimes with humor).
- Maintain a record of interventions.
- Change seating for the remainder of a class period.
- Maintain open communication with parents/guardians.
- Assist student with completing class work and/or partner the student with a suitable colleague.
